*A sleigh ride*

# *A sleight ride*

**Yesterday my class and I  
went for a sleigh ride.**

**First we took a ride by bus to  
nearby forest. Then the fun  
started! The sleigh were  
pulled by two strong and  
big horses. We were riding  
quite fast when suddenly  
one of the students fell out  
of the sledge. Luckily he  
wasn't hurt.**

# *Roasting sausages*

Then we arrived at a small wooden shelter.

There was a fireplace and some marshmallows and sausages ready to be roasted. We could also pour ourselves some tea.

# BIGOS

**We were also eating bigos.**

**This traditional Polish dish is known as hunter's stew.**

**Bigos is a meat-and-sauerkraut stew that is simmered slowly until the flavors of various meats, sausages, poultry, sauerkraut, cabbage, mushrooms, tomatoes, and dried fruits blend into a rich one-pot meal that goes well with boiled potatoes and rye bread.**

# SLEIGHT RIDE

After we ate we started making a snowman, when a snowball fight began! We were wet and tired afterwards, but we were also happy.

*We also took some crazy photos which will remind us about that day.*

I hope we could go there  
next year. 😊
