

Easter in Poland!

Easter - the oldest and the most important Christian holiday commemorating the Resurrection of Jesus Christ.

The weeks preceding it, which are the most important time of remembrance for the events of the Christian faith, are called Holy Week. The last three nights of the week: Maundy Thursday (evening), Good Friday, Easter Saturday and Sunday of the Resurrection are known as the Easter Triduum (Paschale Triduum).

Although in Christianity every Sunday is a memorial of Christ's Resurrection, the Resurrection Sunday is the most solemn of them.

- *In Poland we start with breakfast. We eat eggs, white sausages, cream soup, ham, salt and pepper, butter, lamb, salads, bread and sweets.*

On our tables
there are: cake
with raisins,
cakes and
bunnies. After
that we go to
church. We
celebrate the
Resurrection
of Jesus.
We are very
happy.

- *Next day is the „wet Monday“. People use water to wake up each other. This is typical Polish tradition. Everybody meets families and friends.*

- **Easter is usually celebrated in April, but this year we celebrated Easter in March. This is a spring celebration but this year ... It was snowing!!!**
